Comments on any of the above?

What improvements can you suggest for the delivery of the contact sessions?

None.

What did you like most about the contact sessions?

The practical part of the theory.

What did you NOT like about the contact sessions?

Too much theory.

Please write any comments or recommendations that you would like to make about the module or the lecturer that are not covered above, in the box below:

Dr. Du Plessis was strict, which is a good thing, and knows what he is doing and how to explain work we don't understand.
eg: Using different examples

Thank you for your cooperation
